

HAPPY AND HEALTHY PEDIATRICS, P.A.

Payment Policy and Referral Policy

If you have health insurance we will file to your insurance as a courtesy. It is your responsibility to know if we are in network with your insurance. If there is a balance remaining, it will be the insured's responsibility to pay. **ALL CO-PAYS/DEDUCTIBLES/BALANCES** are due prior to the next office visit.

If you are a self pay patient, payment is due at the time of services, including labs/test/vaccinations.

If your insurance requires a Primary Care Physician it must be listed as AMY PASS, M.D. **prior** to the office visit. If it is not listed you will need to reschedule the office visit.

REFERRAL(S) POLICY

If you are needing a referral(s) from an insurance company that requires a Primary Care Physician and we are not listed in their system we will not be able to have the referrals processed for you.

Please sign and date below that you understand the policy for insurance/payments/referrals.
